

ACCREDITED WATER TESTING LABS

A partial list of labs certified by the Washington State Department of Ecology (DOE) to perform water tests is provided below. A complete listing of all accredited labs in Washington State is available on the Department of Ecology website at:

www.ecy.wa.gov/programs/eap/labs/documents/AllAccreditedLabListInternet.pdf.

Contact the lab prior to submitting your water sample to obtain the correct water sample container and information about collecting the water sample.

Bacterial Testing Only	Inorganic & Bacterial Testing
