

Northeast Tri-County Health District Sewage Permit Record Search Request

NETCHD maintains files of permits for completed on-site sewage systems. To obtain information on a permitted septic system, you must complete this form. Searches are done on a first come – first serve basis. We will make every attempt to provide the requester with information within 5 days of receipt of the application. However, we reserve the right to allow for **up to two weeks** to respond. Property information that may help you complete the form can be located at the specific county assessor’s website.
